

HOUSE OF COMMONS

LONDON SW1A 0AA

Councillor Chris Kane,
Council Leader,
Stirling Council,
Old Viewforth,
Stirling.
FK8 2ET.

12th January 2023

Dear Councillor Kane,

I am writing to you to ask what action the Council is taking to ensure the protection of public services to local communities.

Last year I started a petition to show support for the Bridge of Allan Post Office that closed earlier this month. As you will know the Post Office provides vital public services to communities well beyond postal needs. It is deeply worrying to see yet more erosion of provision of this kind in the constituency.

What is the Council doing to protect these vital public services in communities across Stirling? Has there been any discussion within the Council regarding this closure? Would the Council support a social enterprise bid? Any other information you have about this matter would be welcome.

Yours sincerely,

Alyn Smith MP
