Dear Chief Inspector,

Re: Antisocial Behaviour in Dunblane

I am writing in regards to a reported incident which took place in Dunblane, involving the Beech Tree Cafe on Beech Road. The front door of their window was smashed in the evening of Friday 13th January allegedly by three male youths, who subsequently ran off.

This of course has left the community shocked, and business owners and residents alike are thinking more closely about safety and security in their community.

What considerations have Police Scotland given to the installation of CCTV in the Dunblane High Street area? And what plans are in place to strengthen the relationship between the police, local businesses, households and other community organisations to take a proactive, preventative approach to crime?

I have cc'd in Carol Beattie, Chief Executive Officer at Stirling Council, and I look forward to your response.

Yours sincerely,

Alyn Smith
